LIST OF BOOKS CURRENTLY FOR SALE VIA THE WEBSITE:

HISTORY BOOKS (Grades 4-6)	
A: THE PRE-CIVILIZATION PERIOD (5,000,000 BC TO 5,000 BC)	
H001	Main Pre-Civilization Text H001 is an illustrated text covering the pre-civilization period of history in chronological order from the birth of man to the birth of civilization in ancient Mesopotamia. (An amazing amount of development took place before the birth of civilization, which most history courses today overlook.) [106 pages]
H002	Review Exercises for Main Text (Student's Version) H002 is an extensive student exercise book for the main text (H001). It contains hundreds of questions to be answered in sentences, as well as twenty crossword puzzles on key terms. It's designed for the student to write the answers in the exercise book. [112 pages]
H003	Review Exercises for Main Text (Teacher's Version) H003 is an identical replica of H002 except that all the answers to the exercises are filled in for the convenience of the teacher. [112 pages]
H004	Study Units Text H004 is an extensive supplement to H001 on the pre-civilization period. It contains ten study units that develop important concepts such as knowledge, technology, division of labor, language, social organization, etc., in great depth. H004 is designed to give the teacher the option to expand the course on the Pre-Civilization period. [142 pages]
H005	Review Exercises for Study Units Text (Student's Version) H005 is an extensive student exercise book for the Study Units text (H004). It contains hundreds of questions that require sentence and paragraph answers. [132 pages]
H006	Review Exercises for Study Units Text (Teacher's Version) H006 is an identical replica of H005 except that all the answers to the exercises are filled in for the convenience of the teacher. [132 pages]

MATH BOOKS (Grades 4-6)	
M001	Conceptual Math 1 (Student's Version) M001 is our first math text and exercise book covering basic arithmetic: counting, number systems, addition, subtraction, multiplication and division. It integrates the teaching of math with the chronological history of math. M001 contains numerous exercises, word problems and calculation sheets. [169 pages]
M002	Conceptual Math 1 (Teacher's Version) M002 is an identical replica of M001 except that all the answers to the exercises are filled in for the convenience of the teacher. In addition, this book contains 38 timed math sheets on various math operations for the teacher to photocopy and distribute to the students as often as deemed necessary to build proficiency. [208 pages]

Powerful Curriculum Materials for the Rational Mind

LIST OF BOOKS CURRENTLY FOR SALE (cont'd):

LITERATURE BOOKS (Grades 4-6)	
L001	Book 1: Novel Study Unit for Dar and the Spear-Thrower [A novel by Marjorie Cowley set in 13,000 B.C. France] (Student's Version) L001 is the first of a two-part student exercise book. (See below for Book 2 or L003.) It serves as a comprehensive novel analysis exercise book. L001 is designed to teach the student how to read carefully, think logically, and analyze a novel in terms of plot, characterization, conflicts, subthemes, plot-theme, and overall theme. Also, it's designed to help build proficient writing skills. [156 pages]
L002	Book 1: Novel Study Unit for Dar and the Spear-Thrower [A novel by Marjorie Cowley set in 13,000 B.C. France] (Teacher's Version) L002 is an identical replica of L001 except that all the answers to the exercises are filled in for the convenience of the teacher. [156 pages]
L003	Book 2: Novel Study Unit for Dar and the Spear-Thrower [A novel by Marjorie Cowley set in 13,000 B.C. France] (Student's Version) L003 is the second part of a two-part exercise book. (See above for Book 1 or L001.) Whereas Book 1 provides extensive exercises in novel analysis, Book 2 provides extensive exercises in vocabulary, grammar, writing and thinking. In this manner, we have squeezed as much value from the novel as possible and have created maximum opportunity for the student to become familiar with the content of the novel. L003 is more of a language arts book than a literature book. [156 pages]
L004	Book 2: Novel Study Unit for Dar and the Spear-Thrower [A novel by Marjorie Cowley set in 13,000 B.C. France] (Teacher's Version) L004 is an identical replica of L003 except that all the answers to the exercises are filled in for the convenience of the teacher. [156 pages]
L005	Novel Study Unit for Boy of the Painted Cave. (Student's Version) [A novel by Justin Denzel set in 18,000 B.C. France] L005 serves as a comprehensive novel analysis book. It's designed to teach the student how to read carefully, think logically, and analyze a novel in terms of plot, characterization, conflicts, subthemes, plot-theme and overall theme. Also, it's designed to help build proficient writing skills. [188 pages]
L006	Novel Study Unit for Dar and the Spear-Thrower (Teacher's Version) [A novel by Justin Denzel set in 18,000 B.C. France] L006 is an identical replica of L001 except that all the answers to the exercises are filled in for the convenience of the teacher. [188 pages]
